

Satin Chair Sashes

Satin Ivory, Black, White, and Silver

Satin Sage, Ice Pink, Violet, and Mint

Satin Garnet, Gold, Royal, and Red

Satin chair sashes are in the same saturated color as the table cloths.

Sized as a 6 x 108 inch chair sash, there is enough fabric for any style of bow, florette, or lacing the sash through the rungs of a Chivari chair back.

The sky is the limit for creating a fashionable chair sash adornment for the chair and event.
