

## Chair Sashes

Bengaline Truffle, Sand, Dark Brown, Walnut Beige

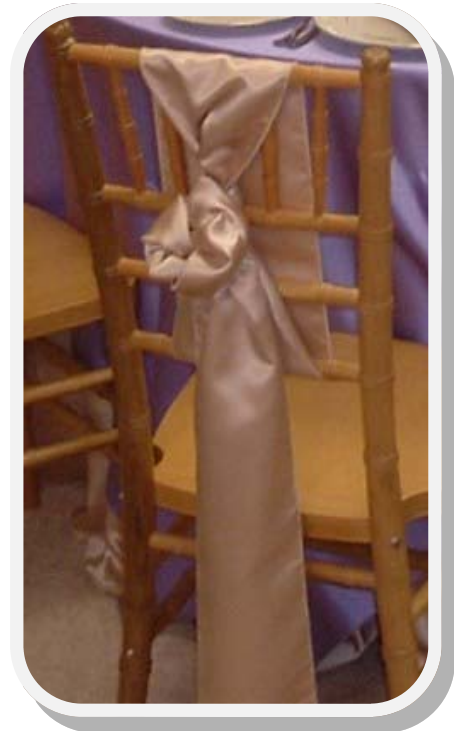

Bengaline Canary, Apple Green, Silverado, and Wineberry

*Bengaline fabric has a tiny ribbed texture on a glossy finish. See how it captures the light both on top of the table or as a chair sash.*

*Bengaline chair sash size is:*

*6 x 108 inches*

*(Above) There are so many ways to tie a chair sash around a chair back. Experiment and create more.*

Try a different method of tying a sash. Start with the chair structure and have fun.
